## CLARIVEIN® WORKSHOP OFFERED IN HONG KONG AT THE ASIAN SOCIETY FOR VASCULAR SURGERY (ASVS)

Saturday September 6, 2014, proctored by YeeLai Lam, MD

Quincy, MA, September 1, 2014– Vascular Insights is pleased to announce the support of the ClariVein® workshop in Hong Kong during the 2014 ASVS congress.

The event will be held at ASVS and proctored by YeeLai Lam, MD. Attendees will be offered both a didactic session and the opportunity to work with the ClariVein® in a simulated model.

*We are very pleased to support ASVS in Hong Kong this year through an unrestricted educational grant. As an early adopter of innovative technology Hong Kong is a strategic geography important to the worldwide expansion of the ClariVein®.*

*– Chip Draper, Vice President of Marketing, Vascular Insights*

ASVS is an annual congress which is represented by more than 14 countries in Asia and the Middle East. For more information visit [www.asianvascular.com](http://www.asianvascular.com)

Vascular Insights LLC engages in the design, development, manufacturing and marketing of medical devices for the minimally invasive treatment of peripheral vascular disease. The ClariVein® Catheter has been used in more than 20,000 patients globally with excellent published results.
